

# PRIVATE GOODS AND PUBLIC GOODS

1.

Hangyodon was using the computer in the public library. With some computers out of service, many people were waiting after Hangyodon.

2.

Hangyodon did not realise the queue.

3.

Kingyo-chan told Hangyodon, in economics, the computers are private goods instead of public goods. She also reminded Hangyodon that he should let others use the computer.

4.
